

October 26th, 2018

I want to thank everyone who showed up at the general meeting last night. Our agenda included electing new officers for 2019. Unfortunately, there was no one who came forward for an officer position. What this means is that the Northwest Border Zone will be in a state of silence until someone decides that they want to reorganize a group of people to run it. If you are interested, please contact Washington State Horsemen board of directors. You can receive their information on their website

at www.washingtonstatehorsemen.org.

You may still sign up as an individual member of Washington State Horsemen next year and compete for year end awards at the State level.

**We are planning a wonderful 2018
NWBZ Awards Banquet. For all of those
people who signed up for local NWBZ
year-end awards, please keep the dates
of December 14th or 15th available on
your calendar as we work out the
itinerary. We will announce all the info
as soon as we have it. Thank you
everybody it has been a great year!**
